This unique information source and time-saver for social studies teachers provides more than 550 useful lists for developing instructional materials and planning for students from the fourth through the twelfth grades. This updated and expanded edition contains 200 new lists! For quick access and easy use, all of these lists are organized into seven sections corresponding to seven areas of the social studies curriculum, numbered consecutively, and printed in a format that can be photocopied as many times as required for individual or group instruction. This book is filled with illuminating facts, startling statistics, practical checklists, and relevant research findings which will enhance social studies courses.
