Now in its seventh edition, *Studying the Novel* is an authoritative introduction to the study of the novel at undergraduate level. Updated throughout to reflect the profound impact of e-reading and digital resources on the contemporary study of literature, the book also now includes a wider range of international examples to reflect the growing field of world literature.

Providing a complete guide to studying the novel in one easy-to-read volume, the book covers: \* The form of the novel \* The history of the novel, from its earliest days to new electronic forms \* Realism, modernism and postmodernism \* Analysing fiction: narrative, character, structure, theme and dialogue \* Critical approaches to studying the novel \* Practical guidance on critical reading, secondary criticism, electronic resources and essay writing \* Versions and adaptations *Studying the Novel* also includes a number of features to help readers navigate the book and find key information quickly, including chapter summaries throughout, a comprehensive glossary of terms and an historical timeline on the development of the novel, while annotated guides to further reading and discussion questions help students master the topics covered.
