Prepare with confidence for the new format Key Stage 2 SATs tests with Scholastic National Curriculum Tests. Scholastic's new practice tests are fully in line with the new format Science SATs test for children in Year 6. Each pack comes with two complete practice tests with an accompanying Guidance and Mark Scheme booklet. These practice tests have a similar look and feel to the new Science test, to help familiarise children with both the content and format of these tests. The tests can be used to track progress in school, but can also be used in the home. The Guidance and Mark Scheme provides advice for parents and carers on how to use the tests and how to support children in preparing for them.
