The Student's Guide to Becoming a Nurse is an essential guide for all student nurses who want to become competent practitioners. It explores the knowledge, skills and attitudes that all pre-registration nursing students must acquire by the end of their programme of study, enabling them to become confident, successful nurses. Thoroughly re-written and updated to include the latest 2010 NMC standards for pre-registration nursing education, this invaluable textbook is divided into four key sections: \* Professional values \* Communication and interpersonal skills \* Nursing practice and decision making \* Leadership, management and team working With case studies, top tips, activities and questions throughout, The Student's Guide to Becoming a Nurse is ideal for all pre-registration nurses and those about to qualify.
